Tempus-Rex announces a reseller relationship with Wireless Experts

Montreal, December 10th, 2010 – Tempus-Rex is pleased to announce the signature of a reseller agreement with Wireless Experts based in New York City. Wireless Experts provides innovative cost effective cellular management and cost reduction solutions for all four (4) major US wireless carriers; Verizon Wireless, AT&T Wireless, Sprint and T-Mobile. Teaming with Wireless Experts will allow Tempus-Rex to accelerate its growth in the American professional services market that Wireless Experts covers so well today.

Service professionals like lawyers, accountants and consultants who rely on BlackBerry Smartphones to deliver service to their clientele will benefit by combining the services of Tempus-Rex and Wireless Experts. This is a win/win solution for American customers of Tempus-Rex who can substantially reduce the cost of their mobile service with Wireless Experts, while increasing their revenue, productivity and client satisfaction with Tempus-Rex.

Tempus-Rex ensures that all phone calls, e-mails, calendar items or activities that flow through the BlackBerry are captured as they happen. Tempus-Rex is fully integrated with all BlackBerry functions and captures time seamlessly, without requiring professionals to change how they work. All captured time is managed and archived securely at www.tempus-rex.com.

Wireless Experts is a Cellular & Mobility Consulting firm providing a full range of services from wireless cost reduction to full cellular management. The primary focus of Wireless Experts is customer service and providing significant mobile telecommunications cost reductions.
